Make a dictionary in your language

Our dream is to see a copy of a dictionary in the hands of every single school child in this country. It is possible. But with 63 different languages that takes some work. We have done it in Luganda. Can you do it in your language?

For more information, please go to this Internet site:

<http://espensj.net/dictionary>

There you can download (find):

- the latest version of this dictionary (for printing)
- English-Luganda dictionary (for printing)
- children's stories with translations (for printing)
- list of the English words (for translation)
- information on how to make a dictionary in your own language
- information on how to make more copies of this dictionary at a low price
- you can inform us of mistakes, suggest additions etc. so that the next version will be even better!
